

Spring Carnival RAFFLE BASKETS

- **Each class is assigned a theme** and we ask that a NEW item based on this theme be brought to their classrooms by **Wednesday, May 16th**. *Themes are based on homeroom/morning teachers - please see below list*
- For those unable to purchase an item, we are also happy to accept a cash donation. We will use this money to buy items to top up baskets where necessary. Please provide the donation to your child's teacher.
- We also welcome tickets for local sporting events and passes for amusement parks or local attractions, etc. If you have access to any of those, they'd be very much appreciated, even if they are not part of your child's actual "theme". We will make sure they go into a suitable basket.
- **Please support local businesses!** There are many shops in the neighbourhood that have great items to put in these baskets.
- The basket raffle will take place on Saturday, June 2nd at 2:40 pm at the end of the Carnival.
- Every student who brings in a donation will receive a free raffle ticket on a special "preview day" before the Carnival.
